Page 1 of 2

Statement of Conformity

The certification body Scarlet NB B.V. hereby confirms as a result of the certification decision on 2026-05-08 according to ISO/IEC 17021-1 that Tandem's Management System according to ISO/IEC 42001:2023 Statement of Applicability Version 2026-02-26T14:27 operates in compliance with the requirements of ISO/IEC 42001:2023 and is monitored by the certification body during the term of the certificate.

This certificate does not authorise the labelling of products or services.

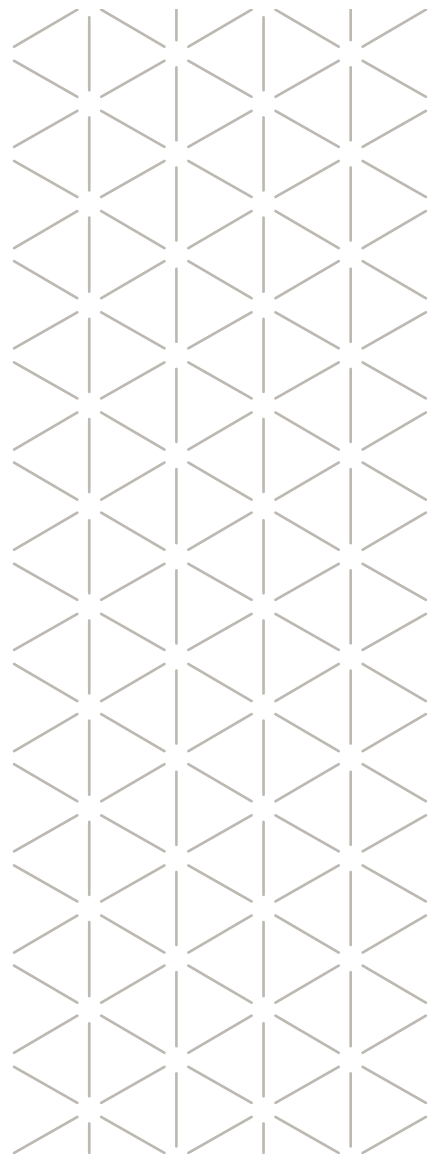

Scope

Design, development, and provision of AI-enabled software medical devices supporting clinical consultations, and the use of AI systems supporting internal business processes including software development, quality management and operational activities.

James Dewar, Director
on behalf of **Scarlet NB B.V.**

Keizersgracht 555, 1017 DR
Amsterdam, Netherlands
